About Your Massage Experience

Our mission is to provide a relaxing and pain alleviating service for clients who work and/or live a high stress life

Massage Therapy Etiquette

Allow us to create a customized massage experience, designed to help relax, rejuvenate, and recover. Our services are personalized to bring well-being not only to your body, but to rejuvenate the mind. Many clients are new to massage services, or have questions regarding the experience. The following items will help prepare you for your service.

Scheduling

Please contact our massage staff to schedule your appointment. Our staff will be happy to assist you and offer suggestions on the services that fit your needs.

Payment Options

All major credit cards, checks and cash are accepted. Also gift certificates are a wonderful way to give the gift of health and relaxation to the special people in your life. Gift certificates can be purchased for any dollar amount

Preparing for Your Appointment

We request arriving 15 minutes prior to your service to relax and fill out a brief intake form. Arriving late will simple limit the time of your service. Your treatment will end on time so the next client will not be delayed.

If you need to make any adjustments to your appointment time, you must do so 24 hours prior to your appointment.

We do not recommend consuming alcohol prior to your reservation since most of our treatments promote circulation and detoxification.

Cancellation Policy

24 hour advance notice is required when cancelling an appointment. This allows the opportunity for someone else to schedule an appointment. If you are unable to give us 24 hours advance notice you will be charged the full amount of your appointment. This amount must be paid prior to your next scheduled appointment. Exceptions may be made in extreme cases at our discretion.

Your Service Experience

Hands on Healing massage staff are state certified therapist, trained to our specific services. They will guide you through your experience and answer any questions you may have.

Wear what you will be comfortable leaving in. The therapist will exit the room for you to get undressed to your comfort level. All of our therapists are trained to discreetly drape areas of your body not involved in the treatment to protect your privacy at all times.

To maintain our peaceful atmosphere, we ask that you turn off cell phones and pagers while visiting our location.
